What is this type of insurance?

This is a school fees for school pupils insurance policy with your school as the group policyholder. What is insured?

We will cover school fees the fee payer is legally liable to pay to the education establishment during any absence of the pupil from school due to:

- ✓ the pupil's accidental bodily injury or illness; or
- ✓ an outbreak of a human infectious or human contagious disease at the education establishment, which forces the full or partial closure of the establishment where remote learning is not available.

We will also cover school fees the fee payer is legally liable to pay to the education establishment if:

- ✓ the pupil is withdrawn from the education establishment.

For cover following the accidental death or withdrawal of a pupil, we will make the payment of fees directly to the education establishment.

What is not insured?

- ✗ Withdrawal of a pupil, other than for disciplinary reasons, if the education establishment is given more than one term's notice that the pupil will be withdrawn.
- ✗ Withdrawal of a pupil for disciplinary reasons unless the pupil received tuition at the education establishment and their place has not been filled by the date of their withdrawal.
- ✗ For any absence:
 - of a day pupil, unless their continuous absence equals or exceeds the minimum absence period of four days;
 - of any boarding pupil from their classes unless their continuous absence equals or exceeds the minimum absence period of three days;
 - lasting 14 days or longer, which has not been validated by a qualified medical professional;
 - caused by any condition or defect suffered by a pupil which was present at birth;
 - due to a pupil receiving an inoculation or other preventative treatment, unless required by the establishment to counter a disease outbreak;
 - due to any defect or condition for which the pupil has received a diagnosis, treatment or advice prior to their first policy with us;
 - due to any undiagnosed defect or condition under investigation prior to the pupil's first policy with us; or
 - longer than a medical practitioner considers necessary for the pupil's condition.
- ✗ The death of a fee payer who is:
 - aged 80 or over; or
 - trustee of a fund from which the fees are paid.
- ✗ Absence, death or withdrawn resulting from:
 - pregnancy or childbirth;
 - a pupil or fee payer deliberately exposing themselves to danger;
 - a pupil whilst on active service in the armed forces;
 - a pupil or fee payer flying as a pilot or aircrew, or any other aerial activities, other than travel as a commercial passenger.
- ✗ Absence, death or withdrawal resulting from or in connection with war, terrorism or nuclear risks.
- ✗ If the education establishment's activities are permanently discontinued or it becomes insolvent.
- ✗ Any claim or loss resulting from or in connection with coronavirus, severe acute respiratory syndrome coronavirus 2, or the fear or threat of such disease.

Are there any restrictions on cover?

- ! For death, accident and illness, we will pay school fees up to the lesser of 18 months or five terms. For boarding pupils, we will pay up to 90% of the amount.
- ! For closure due to disease outbreak, we will pay up to two weeks' school fees.
- ! For withdrawal of a pupil for disciplinary reasons, we will pay school fees from the date of expulsion to the end of that term.

2. Cancellation

a) Cancellation of the policy

Other than as stated in the Fair presentation of the risk or Fraudulent claims conditions, this **policy** or any portion of it may be cancelled by **us** or **you** by sending via special delivery mail to the other's last known address 60 days' written notice of cancellation.

We will refund to **you** the balance of premium **we** have been paid for the **period of insurance** calculated from the date of cancellation to expiry of the **period of insurance**.

You will be responsible for notifying all **beneficiaries** of such cancellation and for distributing to each **beneficiary** their proportion of any refund and informing them that premium will no longer be collected.

b) Cancellation of cover for a beneficiary

A **beneficiary** has no right to cancel this **policy** but may cancel their own cover under this **policy** by giving 14 days' written notice to **you**. **You** will be responsible for sending via special delivery mail to **us** notification of such cancellation.

We may cancel cover in respect of a **beneficiary** by sending via special delivery mail to **you** 30 days' written notice of cancellation. **You** will be responsible for notifying the **beneficiary** of such cancellation.

We will refund to **you** the balance of premium **we** have been paid for the **period of insurance** in respect of that **beneficiary** calculated from the date of cancellation to expiry of their **period of insurance**. **You** will be responsible for distributing to the **beneficiary** any refund **we** provide.

3. Cooling off period

If this **policy** does not meet the requirements of a **beneficiary** they can choose not to effect cover under this **policy** by writing to **you** or **us** within 14 days of either the start of the **beneficiary's period of insurance** or the date on which the **beneficiary** receives their insurance documents whichever occurs later.

If within the relevant 14 day period a **beneficiary** sustains bodily injury or other loss or incident which results in a valid claim under this **policy** **we** will only refund that part of the premium in proportion to the period of unused cover. **We** will return this to **you** for **you** to pass it to the **beneficiary** if the premium has already been paid by the **beneficiary** and collected by **you**.

4. Declaration of policy information

You must complete and submit to **Aon** declarations within 30 days of the beginning of each school term the School Declaration Form as provided by **Aon** stating:

- a) the number of all **beneficiaries** for whom cover has been requested;
- b) the **period of insurance** applicable.

Any additional premium required for that school term must be paid within a reasonable period as advised by **us**.

5. Duplicate cover

If a loss is covered under more than one clause of this **policy** **we** will provide cover under the clause that provides the most cover but never under more than one clause. In no event will **we** make duplicate payments for the same loss.

6. Fair presentation of the risk

a) At inception and renewal of this **policy** and also whenever changes are made to it at **your** request **you** must:

- i) disclose to **us** all material facts in a clear and accessible manner; and
- ii) not misrepresent any material facts.

b) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation by **you** is proven by **us** to be deliberate or reckless **we** may from the relevant date specified in clause d):

- i) treat this **policy** as if it had not existed; and
- ii) not return the premium paid by **you**.

We reserve the right to recover from **you** any amounts which **we** are required to pay out under this **policy** for claims by **beneficiaries** to the extent that **we** would not otherwise have been liable to make such payments on account of a breach of this clause b).

- c) If **you** do not comply with clause a) of this condition and the non-disclosure or misrepresentation is not deliberate or reckless the cover, meaning this **policy** or the changes made to it, may be affected from the relevant date in clause d) in one or more of the following ways depending on what **we** would have done if **we** had known about the facts which **you** failed to disclose or misrepresented:
- i) if **we** would have applied different terms to the cover **we** will have the option to treat this **policy** as if those different terms apply; and/or
 - ii) if **we** would have charged **you** a higher premium for providing the cover **we** will charge **you** the additional premium which **you** must pay in full.
- d) Clauses b) and c) apply with effect from inception, renewal or the date of the changes, depending on when the non-compliance occurred.

7. Fraudulent claims

In the event of a fraudulent claim by **you**, **we**

- a) are not liable to pay the claim
- b) may recover from **you** any sums paid in respect of the claim
- c) may by notice to **you** cancel this **policy** from the date of the fraudulent act without any return of the premium.

Our liability under this **policy** prior to the date of the fraudulent act shall be unaffected. It is for **us** to demonstrate that a claim has been made fraudulently and/or that a fraudulent act has taken place.

If any fraud is perpetrated by or on behalf of a **beneficiary** and not on behalf of **you** this condition should be read as if it applies only to that **beneficiary's** claim and references to this **policy** should be read as if they were references to the cover effected for that person alone and not to the **policy** as a whole.

8. Insured person under 18 years of age

In the case of a **beneficiary** under the age of 18 years any rights or obligations under this **policy** will be deemed to apply to the **parent or legal guardian** of such **beneficiary**.

9. Interest

No sum payable under this **policy** will carry interest.

10. Material alteration

You will advise **us** as soon as reasonably practicable in writing of any alteration which materially affects the risk insured including any alteration in **your** activities or those in which the **beneficiaries** participate by virtue of their association with **you**.

Where the alteration is accepted, **you** will be responsible for notifying each **beneficiary** of their proportionate share of any additional premium and must do so within 14 days of **us** having confirmed to **you** the total additional premium due.

If **you** accept the revised terms but a **beneficiary** does not the **beneficiary** may cancel their cover in accordance with condition 2. Provided a **beneficiary** notifies their request for cancellation of cover within 14 days of **you** informing them of their additional premium **we** will waive such charge.

If a **beneficiary** does not pay their proportion of the additional premium **we** will cancel their cover in accordance with condition 2.

11. Other Insurance

We will not make any payment under this **policy** where **you** or any **beneficiary** would be entitled to be paid under any other insurance if this **policy** did not exist except in respect of any amount in excess of the amount that would have been payable under such other insurance had this **policy** not been effected. If such other insurance is provided by **us** the most **we** will pay under this **policy** will be reduced by the amount payable under such other insurance.

12. Premium payment

You will pay the premium as agreed and supply information in the form and at the frequency as reasonably required by **us**.

13. Reasonable care

You and all **beneficiaries** will exercise reasonable care to avoid or diminish any loss or any circumstances likely to give rise to a claim under this **policy**.

14. Sanctions

Notwithstanding any other terms of this **policy** **we** will be deemed not to provide cover nor will **we** make any payment or provide any service or benefit to **you** or any other party to the extent that such cover, payment, service, benefit and/or any business or activity of **yours** would violate any applicable trade or economic sanctions law or regulation.

15. Severability

When determining the applicability of the General conditions, Claims conditions or exclusions in each section under What is not covered, the act, incident or occurrence that actually or allegedly took place relating to one **beneficiary** shall not be imputed onto any other **beneficiary** or **you** provided that they neither committed nor condoned such act, incident or occurrence.

16. Third party rights

You, the **beneficiaries** and **we** agree that it is not intended for any third party to this contract to have the right to enforce or vary the terms of this contract. **You**, the **beneficiaries** and **we** can rescind or vary the terms of this contract without the consent of any third party to this contract who might seek to assert that they have rights under the Contracts (Rights of Third Parties) Act 1999.
